Happy Ground Hog's Day!

EIMS February 17th Release – Important Notice
All requests to obtain STIs have to be submitted by the end of the day February 13th and resolved the end of the day by February 15th. All files not resolved by the end of the day February 15th will be rejected.

The new functionality will be available February 21st. Documentation about the new features can be found in the File Management Procedure Guide and FAQ, which is located in the "Using EIMS" section.

Training for the new functions is scheduled via WebEx for the week of March 6, 7 & 8th. One of the sessions will be recorded, so that users can log in at anytime from anywhere and take the training. More about the schedule soon.

User Acceptance Testing Volunteers
I need three divisions who will be available to the test the new features on February 21st. There will be a 9:00 AM conference call and a check list sheet to complete.
